Treatment of Israel

- “For the day of the Lord is near upon all the heathen; **as thou hast done (unto Israel)** it shall be done unto thee: thy reward shall return upon **thine own land.**”

Edomites Cursed

- Edom was the nation founded by Esau. This nation was located in the southern area of present day Jordan.
- The Edomites hatred Israel. They attacked Israel on several occasions until the destruction of Jerusalem in 586 BC.
- Because of this act, they came under the eternal curse of God (Jer. 49:13). The nation of Edom has disappeared from the earth (the maximum curse).

Obadiah 1, 18

- Israel is still alive today. Edom is dead and gone. The Bible prophesied this disappearance. "Thus says the Lord God concerning Edom. . . the house of Jacob shall be a fire. . . and the house of Esau for stubble, and they shall. . . devour them; and there shall not be any remaining of the house of Esau".

Curse Them that Curse Thee

- The fate of all once-powerful enemies of the Jewish people: the Pharaohs of Egypt, the Assyrians, the Babylonians, the Roman Empire, the Byzantine Empire, the Inquisitor Spain, the Russian Tsarist Empire, the Nazi Reich.
- Each one was very powerful until they cursed the Jews with annihilation, after which each was cursed with annihilation.

Russia Hated The Jews

- About the time America was being founded, Russia treated the Jews worse than most nations up to that time.
- An estimated 2 million Jews were forced to live in “Ghettos” or flee the country.
- Hundreds of thousands of Jews fled Russia to settle in America to avoid persecution.

America and The Jews

- Jewish colonists began arriving in America in 1654.
- America was the first nation in history to welcome and protect the Jews.
- There is no record of even one attack on the Jews by the U.S. government nor are there any records of any religious denomination in the U.S. sanctioning attacks against the Jews.

Bless Them That Bless Thee

- “May the children of the stock of Abraham, who dwell in this land, continue to merit and enjoy the goodwill of the other inhabitants, while everyone shall sit under his own fig tree, and there shall be none to make him afraid.” (from Micah 4:4)

President George Washington, 1790

I will bless them that bless thee. As nations treat the Jews, God says he will reward them. No wonder America has been so blessed in the past.

Jewish American Patriots

- When the Revolutionary War broke out, almost all the American Jews joined or supported the American cause.
- The wealthy Jewish merchant Aaron Lopez used his 130 ships to support the U.S. Army.

Bless Them That Bless Thee

- The deciding battle of the Revolutionary war was Yorktown.
- Washington was out of money to finance moving his armies to Yorktown for battle.
- Washington told his aid to contact Haym Soloman and tell him we need \$20,000 urgently for the Battle of Yorktown.
- Soloman funded the deciding battle.

- After Jews ingenuity and toil made the land usable, Arabs moved in for employment and to benefit from the improved lands.

Creation of a Jewish Homeland

- The “Blackstone Memorial” called upon world wide support for Palestine to be opened up as a homeland for the Jews.
- William Eugene Blackstone personally arranged for 413 prominent people, including John D. Rockefeller, J.P. Morgan and Cyrus McCormick to sign for and support the creation of a Jewish Homeland.

True Christians Support Jews

- A devout Bible-believing Christian Evangelist read and understood God's word regarding the land of Israel. He knew that the land was given forever to his chosen people, the children of Abraham.
- William Eugene Blackstone knew that the nations that blessed Israel would be blessed and that those who cursed Israel would be cursed of God.

Christian “Father of Zionism”

- “Mr. Brandeis, a U.S. Supreme Court Justice and Jewish leader said that W.E. Blackstone (an American) was the Father of Zionism, as his work antedated that of Herzl, who formally is known as “The founder of Zionism”.

Great Britain

- Interestingly, World War I had been turned to England's favor with the discovery of a synthetic acetone for making explosives. That discovery was made by Chaim Weizmann, a Jew who later became the first Prime Minister of Israel.
- At the end of World War I Britain was one of the mightiest powers on earth with nearly 100 colonies around the world.

Curse Them That Curse Thee

- Charged by the League of Nations in 1920 to establish a state for newly emerging Israel
- Britain took 75% of the territory God had allotted to Israel and gave it away to establish the Palestinian Emirate of Transjordan (today's Jordan).
- Britain which had earlier been pro-Jewish, made a terrible mistake in giving away land that God had promised to Israel forever.

“Israel” and Palestine 1923

Curse Them That Curse Thee

- At precisely the time when emaciated Jews were fleeing the Holocaust and desperately needed a place to settle:
- Britain then proceeded to hinder all Jewish settlement in the land of Israel, while at the same time encouraging Arab settlement there from all the surrounding nations.
- “thy reward will return upon thine own land.”

Curse Them That Curse Thee

- Great Britain learned, like other nations before her did, the high price of taking or giving away land given by God to his chosen people.
- Britain gave away most of the land God promised to Israel forever.
- Britain was cursed with the loss of her colonial lands throughout the world.

“ Krystallnacht” (Night of Broken Glass)

- 9-10 November 1938
- Hitler initiated a massive assault (called Krystallnacht) on the Jews in Europe.
- 267 Synagogues were destroyed
- Thousands of Jewish homes looted of valuables
- 25,000 Jews arrested
- Untold numbers abused and killed

“Evil Prevails

When Good Men Do Nothing”

- Europeans did nothing to stop the slaughter of God’s chosen people.
- President Roosevelt knew of the massive persecution of Jews, but chose to remain neutral. 7 out of 10 Jews in Europe killed!
- During WWII, 550,000 American Jews served in her armies; 8,000 Jews paid the ultimate price for America's freedom.

American Support For Hitler

- Across America the German-American Alliance, known in Germany as the Bundt, established 65 chapters and 35 camps.
- The largest and most famous camp was Camp Sigfried in New York.
- The New York Times newspaper of 15 August 1938 reported that 40,000 pro Nazis attended the rally at Camp Sigfried.

Township of German Gardens

- A township called *German Gardens* was established in New York.
- The official street names included Goebels Street, Goring Street and Adolph Hitler Street.
- The municipality of German Gardens held parades; marchers wore German uniforms and carried Swastika banners.

Natzi Supporters In New York

Curse Them That Curse Thee

- During WWII Hitler cursed God's people and killed 6 million.
- In turn, God cursed Nazi Germany.
- From 1937-1945 Over 8 million Germans were killed. (5.5 million military and 2.5 million German civilians)
- Hitler committed suicide.

Curse Them That Curse Thee

- In 1948, the British turned the Jewish homeland over to the United Nations.
- Britain then withdrew her forces from Palestine in shame.
- The new State of Israel was surrounded by 6 enemy nations determined to eliminate Israel and take away the land from the Jews.

America and Israel

- When Israel became a nation in 1948, the United States was the first country to recognize Israel.
- An American, Mr. Morris Harris designed the Jewish Flag

Arab Response to New Nation

- “It will be a war of extermination and a momentous massacre.”

Azzam Pasha

Secretary General

Arab League

Psalm 83:5

- Describing the enemies of Israel desiring genocide for all Jews.
- “Come and let us cut them off from being a nation, that the name of Israel may no more be remembered.”

Israel God's Miracle Nation

- The first day after nationhood, Israel was attacked by 6 Arab nations, supplied heavily with Russian and Chinese arms.
- If you want proof that the Bible is real and that God is with the Jews, just look at the miraculous survival of the nation of Israel.

No Chance To Survive The War

- President Truman asked George Marshall if Israel could survive the attack of its six neighboring countries.
- George Marshall, probably the world's most knowledgeable military expert said that the U.S. should encourage Israel to sue for a peace treaty, as they had "no chance whatsoever of a military victory."
- Israel and God defeated 6 nations.

Recent Times Bring Curses

- In 1991 President Bush, Sr. began an ongoing conflict with The Bible regarding the land of Israel.
- The U.S. plan revolves around Israel giving up lands in exchange for peace. This is extortion on the part of the Arabs and a curse for America.
- God gave the land to descendants of Abraham, Isaac and Jacob as an “everlasting possession”.

Disregard For God's Covenant

- On October 30th, 1991, George Bush Sr. at the Madrid Peace Conference said: “Territorial compromise is essential for peace.” (not smart to compromise God's Holy Word).
- America should not encourage the transfer of land that God has given to Israel for an everlasting covenant. To do so, the Bible promises a curse to your own land.

Coincidence or Curse?

- The day after Bush's speech to give away part of Israel, an extremely odd storm developed.
- The weather pattern for U.S. storms is eastward. This storm travelled 1000 miles westward.
- Almost all storms are tropical. This one came from the direction of Europe (Madrid Conference).

Coincidence or Curse?

- The national weather service called it “the *perfect storm*”. A book and a movie were written about it. \$30 billion in damages.
- One of the most powerful storms to ever hit the U.S. – 100 feet high waves.
- George Bush’s home took a direct hit and was badly damaged the day after he recommended that Israel lose part of its home given to them by God forever.

Coincidence or Curse?

- August 24, 1992 Peace Talks in Washington D.C.

- Then Hurricane Andrew struck America.

Coincidence or Curse?

- Hurricane Andrew was the worst national disaster to hit America up to that time.
- A 25 mile wide tornado storm.
- An awesome category 5 hurricane with winds over 175 miles per hour.
- 200,000 Americans homeless.

God's Word

- ...as thou hast done unto Israel, it shall be done unto thee...**thy reward shall return upon thine own land.** Obadiah 1:15

Oslo Peace Accords

- In Sept. 1993 the “Oslo Peace Accords” called for Israel to give up land in Gaza, Jericho and the West Bank, in exchange for peace.
- The same day that this was reported in the New York Times newspaper, the paper also reported that Hurricane Emily came out of nowhere with 116 mile per hour winds.

Coincidence or Curse?

- On Jan. 16, 1994, President Clinton met in Geneva with Syria's dictator President Hafez Assad. They arrived at a peace agreement, calling for Israel to give up the Golan Heights to Syria.
- The next day a powerful 6.8 magnitude earthquake near Los Angeles caused \$25 billion in damages.

- Front page of the New York Times
- Clinton shown welcoming Ararat and caption says: “Clinton rebukes Israel.”
- On the same page, another article says: “Destructive tornadoes devastate Arkansas (Clinton’s Home State)
- “In Storms Wake, Grief and Shock.”

Coincidence or Curse?

- As a result of U.S. pressure by Sec. of State Allbright, Israel's Foreign Minister and Arafat met on Sept. 13, 1999 to arrange for Israel to give away land to the Palestinians.
- A monster storm named Floyd unexpectedly developed.
- 28 U.S. counties declared disaster areas.

Hurricane Floyd

Coincidence or Curse?

- June 8th and 9th, 2001

- The weather bureau recorded "a weird storm", Tropical Storm Alice – the worst tropical storm in U.S. history.

Covenant Land For Peace?

- August 9, 2001 A terrorist in Jerusalem killed 19 people and injured over 100.
- The U.S. said that the problems could be solved if Israel gave up all lands acquired during the 6 day war.
- Sept. 11, 2001 the worst terrorist attack on U.S. soil 3,000 Americans killed.
- After 9/11, was our answer to give the terrorists land for America to have peace?

Coincidence or Curse?

- On April 28, 2002 the U.S. pressured Israel to lift the siege of Arafat's compound in Ramallah.
- On April 29, 2002, the Washington Post had these headlines: "Israel agrees to lift Arafat Seige" and "Deadly Tornado Hits Southern Maryland". It was a monster storm packing 261 mph winds that came right over Washington, D.C.

Coincidence or Curse?

- August 12th, 2004 the Bush administration was pressuring Israel to move 25 settlements from Gaza (covenant land).
- August 13th Hurricane Charlie hit the Southern U.S.
- Bush declared 25 disaster areas. Ten thousand homes were destroyed and thousands of people had to be relocated.

- August 24, tropical storm Katrina rapidly grew to a category 5 storm with a 375 mile diameter heading for New Orleans.
- 1.5 million people fled their homes.

God's Word

- ...as thou hast done unto Israel, it shall be done unto thee...**thy reward shall return upon thine own land.** Obadiah 1:15

Israel

- Largest resettlement in the nations history.
- Over 1,000 homes destroyed.
- Graves dug up to relocate.

- U.S. spent \$110 billion after Katrina.

God's Word

- ...as thou hast done unto Israel, it shall be done unto thee...**thy reward shall return upon thine own land.** Obadiah 1:15

Jerusalem Is The Jews City

- Judaism made Jerusalem a holy city over three thousand years ago and through all that time Jews remained steadfast to it. Jews pray in its direction, mention its name constantly in prayers. They close the Passover service with the statement "Next year in Jerusalem," and recall the city in the blessing at the end of each meal.

Battle Over Jerusalem

- The Bible refers to Jerusalem 811 times.
- The Koran does not refer to Jerusalem even once.
- Mecca is the major city for Muslims. The Arab interest in Jerusalem is political.
- The Bible says that the final war on earth will be over ownership of Jerusalem.

U.S. Policy Flawed

- Since 1968 WA, DC has pushed Israel to give up Israeli land and settlements in exchange for peace.
- From 1948-1967 there were no settlements and there was no peace.
- After Israel withdrew entirely from the Gaza strip in August 2005 (for peace), the rocket attacks against Israel increased five fold.

Palestinian Home Issue

- The Arab World, with the exception of Jordan, forbids Palestinians to become citizens of any Arab country.
- Driven by its hatred for Israel, the Arabs want the Palestinians to remain homeless and in refugee camps.

Palestinian Problem

- “The Arab states want to keep the refugee problem as an open sore, as an affront to the United Nations and as a weapon against Israel. Arab leaders don’t care if the Palestinians live or die.”

Just Another Coincidence ?

- In 2010 President Barack Obama presented a peace plan, calling for Israel to give up lands, to be finalized within two years.
- One day after the announcement of the Obama plan, a BP oil rig in the Gulf of Mexico exploded on April 20, 2010 killing 11 people and causing the worst oil disaster in American history.

The Correct Path to Peace

- If the Muslim terrorists put down their weapons, there will be no more war.
- If Israel puts down its weapons, there will be no more Israel.
- The path to peace is not in Israel giving up more of God-given land.
- The path to peace is all-out rejection of terrorism.

All Earth Blessed By The Jews

- ...as thou hast done unto Israel, it shall be done unto thee...**thy reward shall return upon thine own land**. Obadiah 1:15
- “And I will bless them that bless thee and curse them that curseth thee: and **in thee shall all of the families of the earth be blessed.**” Genesis 12:3

Jews Exemplary Citizens

- “In nearly every society in which the Jews have lived for the past 2,000 years, they have been better educated more sober, more charitable, committed far fewer crimes, and have had a more stable family life than their non-Jewish neighbors.”
